# Environment, Health and Safety - Whose Responsibility Is It?

Breakfast Seminar

Wednesday, February 13, 2002 – 7:30 to 9:00 a.m.

Employers, employees and government all have roles, rights and responsibilities to ensure that workplaces are free from hazards to safety, health and the environment. This seminar will help participants identify reasons for **all** management and staff to take responsibility to create a safe and healthy workplace. Company representatives will share their strategies and experiences to achieve a safe and healthy work environment.

### Workshop Objectives:

Participants will be able to:

- Identify reasons for management and staff to work together to create a safe and healthy workplace
- Identify strategies for management and staff to create a safe and healthy workplace

### Presenters:

- **Norma McCormick**, Compliance Consultant, Corporate Health Works Inc.
- **Ian Marshall**, Plant Manager, Monarch Industries
- **Ian Harrison**, Operations Manager, Drummond McCall

### Who should attend?

This seminar will be of interest to owners, chief executive officers, senior managers, supervisors, environment, health and safety managers, and health and safety committee members.
