

# Better Board Governance: Basic Principles of Policy Governance®

**Thursday, January 30, 2003 – Breakfast Presentation  
7:30 a.m. to 9:00 a.m. – in Winnipeg (location to be announced)**

The Policy Governance model is the most well-known modern theory of governance worldwide but in many cases the least understood. It applies to governing boards of all types – not-for-profit, government and business – since it is assembled from universal principles of governance. This session addresses the basic principles of Policy Governance and how not-for-profit boards can effectively apply these principles whether they are new or mature, large or small.

**Presenter:**

**Gary Hannaford, FCA, Chief Executive Officer of the Institute of Chartered Accountants of Manitoba**

Gary Hannaford is a graduate of the Policy Governance Academy taught by John and Miriam Carver. He has spoken to numerous not-for-profit organizations on the benefits of the Policy Governance model and has facilitated the implementations of the model by the Institute's of Chartered Accountants of Manitoba, Saskatchewan and British Columbia.
