

The Manitoba Quality Network (QNET) presents:

The FISH! Philosophy

How to catch it... How to keep it!

A Half-Day Session

Wednesday, March 26, 2003 - 8:00 a.m. to 12:30 p.m.

Location: To be announced

Imagine a workplace where everyone chooses to bring energy, passion, and a positive attitude with them each day. An environment in which people are truly connected to their work, to their colleagues and to their customers. Think this is impossible? Not at all!

FISH! is a tool to help you lead people toward creating that environment. Join us for an exploration of the FISH! Philosophy and experience the world famous FISH! videos – including FISH!, FISH! Sticks and FISH! Tales. An overview of the FISH! Philosophy concepts will be provided by Lori Mitchell, National Training and Development Director, Ceridian Canada and you will hear from a panel of local organizations on how they have put the FISH! Philosophy in action.
