

Building Better Boards:

Introduction to the QNET Board Governance Criteria

Tuesday, April 26, 2005 - 7:30 a.m. to 9:30 a.m.

LOCATION: to be announced (In Winnipeg)

QNET provides resources, information session and training on Board Governance as part of QNET's focus on improving quality and organizational effectiveness.

THE QNET Board Governance Criteria is designed to enable not-for-profit boards to assess their performance. The criteria area based on "best practices" and can be applied to a wide range of governance models.

The QNET Board Governance Criteria can be used with a wide range of governance models and does not advocate one model over another. You will see influences of a *combined approach to governance*. This introduction to the QNET Board Governance Criteria will include background information and an overview of the Criteria and Assessment Tools.

Objectives of the Workshop:

- Define the QNET Board Governance Criteria and clarify the evidence needed to meet requirements
- Provide a framework for improving the role of the Board Chair

Presenters:

- Ken Holland, President, Ken Holland Corp.
- Joe Mackintosh, Mack-Plan Learning Systems
