**A Pilot Project on Absenteeism Management:  
How to Develop a Health & Wellness Model For Your Workplace**

**DESCRIPTION:**

Manitoba Hydro is currently conducting a pilot project on absenteeism management and how this fits within an integrated health and wellness model. The project stems from MaryAnn's Masters thesis on "An Integrated Approach to Workplace Health and Wellness" and its application to the workplace. The absenteeism management project will examine areas of the company that have high levels of sick leave .

**PRESENTER:**

MaryAnn Kempe is the Manager, Employee Support Services with Manitoba Hydro with an accomplished career that included Human Resource roles in both public and private industry. In the spring of 2004, MaryAnn received her Masters of Business Administration (M.B.A.) with a major in Human Resources from Royal Roads University. MaryAnn was recently elected President-Elect of the Human Resource Association of Manitoba (HRMAM).
